

HEY THERE

I'm a business + **lifestyle** content creator with over 15k **followers** through my social media

meet holly

I started Life With Holly because I love content creation. You can catch me designing new products at my planner + stationery shops; Poi & Hun and Work Week Agenda, or in my home-office creating video and lifestyle tools that help you increase productivity.

types of content

desk + office, home decor, tech, planner + stationery, plants, beauty small business owner, fashion
